- Interchangeable front plate for switching from working with fine wire staples and nails to flat wire staples.
- Electronic multistroke function for completely counter-sinking the fastener if necessary.
- Staple inspection window showing how many staples are left.
- Precise-Plus: Long nozzle for precision fastening at hard-to-reach places.
- Snap lock provides easy access for rapid troubleshooting.
- Recoilless operation.
- Electronic impact power adjuster for adjustment to the material.
- Immediately ready for use after pushing back the trigger catch.

- Article number: 031-0326
- EAN Code: 4009729014547
- Weight: 2.229 kg
- Guarantee: Novus offers a warranty of 2 years when handled in a proper manner.

Impact adjustment
Guarantees the right impact power for every job, no matter whether you're fastening into hard or soft wood.

Long nozzle
The tacker's narrow and long nozzle also permits precision stapling at poorly accessible places.

Trigger catch
Tacker is only ready for use after pushing back the trigger catch.
